RE: Garden City Project - Strip Mining
Building Stone, Limestone and Gravel -
Rich County, Utah

Dear Mr. Robinson:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations in Juab County. We received a copy of the notice on September 29, 1993.

This project is for surface mining of building stone, limestone and gravel. The materials mined will be used to expand the marina at the Bear Lake State Park.

It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.E.E., Manager
Design Evaluation Section
